PROFILE

What i consider to be one of my principal attributes are my learning ability and my ambition to get better and overcome any challenge.

Despite the fact that my branch of study is not absolutly intended towards development, my final work ultimately consisted on an educative implementation of blockchain technology using Node.JS. I got the maximum grade possible.

EXPERIENCE

● 2020 - 2021

Dark Street Escape Room

Principal Game Master, Madrid

In charge of collecting, schedules, other employees and serving clients before and after their experience

● 2020 - 2020

Opinator

Mandatory internship, Madrid

As part of my G.S. Study I had to take a internship of 3 months. I worked with Java, Spring and MVC.

EDUCATION

● 2018 - 2020
